This is a unique event for members of the Business Community to support young people to reach their potential. It is an opportunity to forge links, which will benefit all parties and, in particular, **OUR YOUNG PEOPLE**.

We are very proud of the opportunities our school offers young people and would like you to have the opportunity not only to discuss how we can work together to improve our career pathways, but also allow us the opportunity to be your hosts.

We formally invite you or a representative from your organisation to attend our complimentary breakfast and charter signing and would be honoured if you accept our invitation.

Please RSVP by – 10th August
