

The team at Corporate Traveller Tasmania would like to wish you a very Merry Christmas and Happy New Year!

We would like to thank you for the valuable business you have entrusted with us in the past 12 months.

Included in this newsletter:

- 1) Office hours
- 2) APEC Business Travel card
- 3) Quickbeds corporate login

1) Office hours – the Corporate Traveller Tasmania team will be open throughout the Christmas period for normal business hours and will only be closed on Public Holidays. Phone (03) 6281 5500 or after hours (24 hours a day 365 days a year) on 1300 131 285 (Overseas 61 7 3011 7841).

I will be taking Annual leave from 21st December and returning on 3rd January. If you need assistance while I am away please call the team on 6281 5500 and they will be able to help.

2) APEC Business Travel Card – If you travel in the Asia-Pacific region regularly or you plan to visit multiple destinations, then it is worth considering applying for your own APEC Business Travel Card. The credit-card sized APEC Business Travel Card provides you with pre-cleared short-term entry to the 17 APEC Member Economies participating in the scheme. Being a card holder means there will be no need for you to individually apply for visas or entry permits each time you travel, saving you valuable time.

If you are interested, please let me know and I can send through an information fact sheet.

3) Did you know Flight Centre owns Quickbeds (last minute distressed hotel inventory)? As a result, we can set corporate clients up with an exclusive login.

- ✓ Over 31,000 properties world wide, including over 4000 within Australia
- ✓ Book online instantly
- ✓ Don't pay a booking fee
- ✓ Pay by credit card
- ✓ Complimentary online summary reports available
- ✓ Automatic report delivery is available
- ✓ You can always contact your Tasmanian based personal travel manager who can request availability or make changes to your bookings.

If you want to get set up with a login, please let me know and I can do this for you (It takes about 5 minutes to get you set up).
