

FREE Workshop Series

Tasmanian Hospitality Industry

Introductory Workshop, Series 2

Understanding the Training System

The Tasmanian Hospitality Association (THA) with the support of Skills Tasmania is offering hospitality operators **free workshops**.

This workshop will cover **essential training system information** to assist anyone with trainees or apprentices or considering training their staff.

This free workshop is available to all business **operators** in the Tasmanian **Hospitality Industry**.

This workshop aims to **demystify** the **training system** by looking at key aspects of the training package as well as the role of training organisations (RTO's), learners and employers. Ever wondered what an Apprenticeship Centre does or who RTO's report to? This workshop is for you!

The first half of the workshop will provide you with a clear picture of how the **training system** operates including **responsibilities** of all parties involved in the training contract.

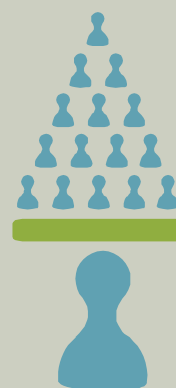

A **panel discussion** will be held in the second half of the workshop with representatives from RTO's, Skills Tasmania and the Tasmanian Qualifications Authority. There will be **opportunities** to ask **questions** of each representative.

The workshop will run for approximately 2.5 hours with light refreshments provided and an opportunity to network at the conclusion of the workshop.

RSVPs are required **one week prior** to your chosen workshop to ensure a place and for catering purposes.
