

Armed Robbery! - Ban the Crim

Outline:

“Ban the Crim” is a well known and respected training program designed by ex police officer Mike Murtagh. The likelihood of your venue being involved in an armed robbery is *real*; support your staff by training them with these invaluable survival skills. Training your staff in armed robbery survival will provide them with the necessary skills to develop an awareness to reduce the risk of a robbery and define armed robbery response guidelines and dealing with violence. This training teaches your staff how to lessen the physical and psychological risk to staff and customers in the event of an armed robbery and to be able to positively assist the police with information and correct follow-up action after the crime.

Who should do this training?
